

Bruce & Co. are delighted to announce the sale of Inverstore Limited, a well performing and established self-storage facility in Greenock, Inverclyde.

Founded by the vendor in 2008, the business offers long and short term storage facilities to both commercial and private clients, with a wide range of storage units and lockers. The business is located in a large industrial warehouse that has been completely fitted out by the current vendors. The sale of Inverstore

Limited offered an excellent opportunity to purchase a well-established and respected business within their sector.

The vendor, Mrs Patricia Hamilton, decided to sell due to her wish to retire and spend more time with her family. Following a number of viewings, the business was sold to Megastorage Limited, experienced operators within the storage industry,

Mrs Hamilton said: ***“My experience with Bruce & Co was great. They were always in contact with clear updates and instructions. I’m happy I’m now spending more time with my family. I would definitely recommend Bruce & Co to anybody looking to sell their business and I would like to thank the team for all their help.”***

Safa Sultan from Bruce & Co. commented ***“I’m delighted that we were able to achieve a sale, allowing Mrs Hamilton the opportunity to retire and spend more time with her family. I wish the new owner all the best for the future.”***
