Theresa's Nursery School Sold to Energetic First Time Buyer

Redwoods Dowling Kerr is delighted to announce the sale of the children's daycare nursery, Theresa's Nursery School in Haxby, Yorkshire.

Redwoods Dowling Kerr was put in touch with the owner of a charming children's daycare centre, Mrs Theresa Roberts-Hardy. She wanted to discuss the sale of her business, as she looking to retire soon.

As the leading sales broker in childcare, Redwoods Dowling Kerr quickly secured five viewings for the nursery. Mrs Roberts-Hardy was looking to pass her business on to someone who had a genuine interest in carrying on the nurseries success.

After careful consideration, Mrs Roberts-Hardy decided to sell her business to Ms Sarah Trivett. A first-time buyer, Ms Trivett proved to be a perfect fit, as her attention was drawn

to the business because of her background of 20 years in the childcare sector, where she had mentored within nurseries with a focus on how to improve teaching methodologies.

The nursery was an ideal purchase for Ms Trivett because it offered a unique blend of sustainable success and a working business model, whilst also presenting the opportunity for genuine future growth.

Mrs Roberts-Hardy was aware of the lengthy processes and checks that are often involved when dealing with childcare settings. She was pleasantly surprised to learn that Redwoods Dowling Kerr were experts in the industry and could assist her with every stage of the process.

Established since 1992, Theresa's Nursery School has earned an excellent reputation for the quality of childcare that they provide. As a result, the nursery has been turning over a healthy profit with low overheads, whilst enjoying regular recommendations from the local community. The nursery employs a host of experienced staff members who play a pivotal role in ensuring that the business remains consistent in their delivery of excellent care.

The property itself is a two-story detached building, that offers several different rooms to provide care for the relevant age groups that attend. The rooms feel cosy and homely; ensuring that the children are comfortable and that they settle in quickly. They are also bright and airy, with plenty of equipment to create a stimulating learning environment. Externally there is a secure and enclosed play area which is used to conduct fun activities, whilst keeping the children in a safe area.

The nursery is fitted with a wide range of children's furniture and fixtures, as well as having access to a range of quality toys and resources that help the children learn and grow.

The nursery is registered for 16 children per session and operates Monday through to Friday during term time.

The seller, Mrs Robert-Hardy commented on her experience saying that; "I would like to thank Karrina and everyone at Redwoods Dowling Kerr for their hard work. It was a long journey, but we got there in the end. I want to thank you all for your help and support throughout the sale of the business. I think we've all earned a little rest now!"

Karrina Lee, Senior Childcare Negotiator; "I am pleased the sale came to a successful completion. I wish Mrs Robert-Hardy a happy retirement, she definitely deserves it and all the best to Ms Trivett in her new adventure."
